

Be a Partner!

Teen Mission Trip - Rosebud Indian Reservation

Partner up with the **EDGE Youth Group** for their mission trip experience this **Summer**. The teens need your help in raising the necessary funds to serve the people of the Rosebud Indian Reservation in Mission, SD. We will be working with the Tree of Life Ministries, which is a United Methodist Church outreach ministry to the Lakota Sioux Indians in South Dakota. This trip will enable our teens to be involved with a culture very different from our own and the potential for spiritual growth in our teens through this experience is enormous. We will be involved in construction projects, soup kitchens, food pantries, nursing home visits, possibly working in a youth center and helping with the sewing ministry as well. We are excited and hope that you are excited to be our partners.
