

BE A PARTNER

THE EDGE SUMMER MISSION TRIPS

Partner up with The EDGE Youth Group for their mission trip experience's this summer. The teens need to raise more than \$4,000 through the Be A Partner Campaign to be able to go to Memphis & Guatemala. Our regular mission trip will be in Memphis, TN where we will be working with Mission Serve. Memphis is a great city with a lot of history, but unfortunately the poverty rate and unemployment rate is far higher than the average city. We will be doing some construction projects as well as serving the community through soup kitchens, food pantry's, kids clubs, etc. I expect this trip to be as rewarding for us as it will be for the folks we are helping.

Our college-age kids will have the opportunity to serve in Guatemala at Eagle's Nest Orphanage. This will be an incredible experience for them as they will be participating in work projects, a feeding program, running a sports camp, as well as soaking up the Guatemalan culture. This group is responsible for raising a substantial amount of the total cost, but we hope you will want to help through the Be A Partner Campaign as well.

Our...Your teens will be able to build on these incredible experiences and grow in their faith and YOU have the opportunity to help them!!

Financial Partners: Please give what you are comfortable giving! Everyone who gives will be invited to a special dessert fellowship towards the end of the summer. All those who give \$250 or more will receive the official Mission Trip T-Shirt.

Prayer Partners: We would consider it an honor if you would hold us up in prayer, both in the planning and preparation stage of the trip and during the trip. Everyone who commits to lifting us up in prayer will be invited to the special dessert fellowship towards the end of the summer.
